

Ride On Scrubber Drier - CRO 1185

Easy Brush Access with
ABS brush cover

Wet Pick-UP squeegee

Simple Maintenance

CRO 1185 has great manoeuvrability, thanks to a balanced weight distribution. It is equipped with variable brush pressure which can reach upto 63kg. With its robust structure, it can deep clean efficiently, it comes with detergent control and auto stop feature. Detergent flow stops and starts upon traction pedal being activated. Extremely user friendly – it increases productivity. Low noise feature makes the machine suitable for daytime cleaning even in noise-sensitive applications. Noise level is as low as 60dBA and long hrs of battery run time. Equipped with 2 stage high suction and SUPER SILENT vacuum motor.

Advantages

- High quality vacuum seal in recovery tank: Vacuum gasket is made of elastic material, assuring the best vacuum sealing throughout the life of the machine.
- Excellent water flow into tank: Dirty water is vacuumed directly from the squeegee, runs on a curve a curve made on the hood
- New SUPER SILENT Technology 60dBA.
- CFS (Center Flow System): Centre spray solution outlet on the brush ensures the entire use of the brush and does not waste water and detergent.

HOURLY PERFORMANCE

5950 M²/H
